ATTENTION: STUDENTS AND RESIDENTS

Thank you for registering for a renal elective. We want this to be a very educational month for all of you. For that reason, I encourage you to round with our faculty on any of the following activities – outside of the inpatient service. You will be exposed to patients who are typically not hospitalized and learn what a Nephrologist reallydoes!

- at Smith Clinic. Thursday Afternoon 1:30 - 5pm.
  - Patients with active glomerular diseases (membranous, lupus, FSGS, etc) are seen in a unique, small 12-patient clinic with plenty of teaching opportunities.
  - Contact: Drs. Raghavan (rajeevr@bcm.edu) or Perez (jp134089@bcm.edu)

- at US Renal Baylor (Scott St and OST). Variable, time: 1 hour
  - Ever wonder where your patients go after discharge? Spend 1 on 1 time with the attending and learn the nuances of outpatient hemodialysis
  - Contact: Drs. Saridey (saridey@bcm.edu), Mandayam (mandayam@bcm.edu), Raghavan (rajeevr@bcm.edu) or Perez (jp134089@bcm.edu)

- Rounds at Wellbound Clinic. Variable, time: 1 afternoon
  - A growing number of
